## Studying Finnish online

Did you know that you can practice and learn Finnish language on the internet with your phone or computer?

### Finnish courses and exercises online

You can find lots of different Finnish language courses and exercises on the internet for both beginners and more advanced speakers. For example, there is an online study environment for learning Finnish on MoniNet's homepage. You can find it here: [moninet.rovala.fi/opiskele-suomea](https://moninet.rovala.fi/opiskele-suomea). You can find other materials by searching for "**suomen kielen verkkomateriaalit**" on your search engine.

### Youtube

There are many Youtube-channels concentrated on teaching Finnish language. You can find them for example by searching for "**suomen kieli**" or "**opi suomea**"

### Instagram

You can study Finnish even on Instagram. You can find suitable accounts using hashtags like **#finnishlanguage**, **#opisuomea** or **#learnfinnish**

### Apps

There are different kind of apps and games that can help you learn Finnish. Here are some examples:

- Ekapeli maahanmuuttajalle
- Molla ABC (for practicing letters)
- Duolingo (English-Finnish)
- Opi suomea – 15000 sanaa
